You will have 2 options for fundraisers:

1. Turn in cash donations in the amount of **\$300**
2. Sell raffle tickets for the item being raffled (details will be outlined each season, but it will be something like a side by side or equivalent. The minimum amount of money and tickets to be turned in is \$300.

If you choose to sell raffle tickets, **it will be your responsibility to pick these up at the first rodeo of the fall season so that you have them. If you join after the first rodeo, you will need to ask for the tickets in the rodeo office if that is the option you choose for raising money.**

IMPORTANT DUE DATES – THE TOTAL AMOUNT OF MONEY DUE IS DUE NO LATER THAN THE LAST RODEO OF THE FALL BY SUNDAY AT NOON. (this used to be half due by then and now it is the FULL AMOUNT). If you won't be at the last fall rodeo, the money must be received by the Friday before the last fall rodeo of the 2026 season. **If you fail to miss the deadline a \$100 late fee will apply.**

New 2027 spring members, will be required to acquire **\$300 in donations turned and will be due when you join. Raffle ticket will not be mailed so sponsor donations are encouraged. However, if you want to sell raffle tickets, you can pay the full amount personally and then pick up the tickets at the first rodeo to sell and reimburse yourself.**

Your signature below acknowledges the following:

1. You agree to turn in the minimum required \$300.
2. You agree to turn in the full amount required by the last fall rodeo of the season. If you won't be at the last fall rodeo, it must be mailed in enough time that it is received by Suzan Adams by the last fall rodeo.
3. I understand that there is a **\$100 late fee** for not meeting the deadline.
4. I understand that I am not eligible to rodeo in the spring unless the full amount has been paid.

As parents of the KJHSRA member, you agree to be financially responsible for this mandatory requirement.
